Highest Circulation

The most widely read Agribusiness Journal for Arab Countries

Now in its 39th year of publication **Arab World Agribusiness (AWA)**, has firmly established itself as the foremost agricultural journal in Arab countries. Its authoritative editorial features continue to meet the requirements of a fast developing industry that is eager for technical information, details of farming systems, crop protection, animal husbandry, regional and international agricultural, horticultural news and events.

The Arab leaders are determined to raise agricultural productivity, reduce dependency on imports and adhere to crop diversification while maintaining precious water resources. The region provides ample opportunities for agricultural companies to cater to this market with supplies and equipment.

وطدت مجلة «الزراعة في العالم العربي» أقدامها بقوة في مجال الإعلام الزراعي كمجلة رائدة في مجال الزراعة وقد دخلت المجلة عامها الـ ٣٩ بكل اقتدار خدمة للزراعة والمزارعين العرب في كل مكان. وتنفرد مجلة «الزراعة في العالم العربي» بنشر موضوعاتها الزراعية المتخصصة باللغتين العربية – والانجليزية تشمل كافة الأنشطة من ابتكارات حديثة في المجال الزراعي والحيواني والميكنة والمياه والأسمك وآخر التطورات العلمية والعملية إقليمياً وعربياً. وتولي الحكومات العربية جل اهتمامها للزراعة ومواصلة جهودها الكبيرة في سبيل زيادة الانتاجية وتحقيق الاكتفاء الذاتي من خلال الدعم الهادف وتيسير الصعاب وتذليلها وتجاوز العقبات وتوفير الفرص الهائلة للشركات وتلبية مطالبها من أجل تحقيق الأهداف المنشودة.
