THE ARAB TRAVELLER – AN IDEAL ADVERTISEMENT MEDIUM

The Arab Traveller is the leading travel magazine offering the greatest opportunities for business promotion. From traveller to airline and hotel personnel, the magazine provides in-depth and extensive coverage of relevant issues in the Arab and global travel and tourism industry.

In 2024, the 40th year of publication, the total printed copy circulation exceeds 36,000 copies per issue. Published every alternate month in Arabic, the publication has a desk life of two months making each copy available to an average of 10 readers, according to a recent survey.

Highest circulation

Over 25,000 printed copies of each issue are distributed through a carefully compiled and regularly updated mailing list to the most frequent travellers in the Arab world.

The remaining 9,000 copies are distributed in bulk to airlines operating to and from Arab destinations for the benefit of their passengers on board. Copies are also supplied in bulk to international airport lounges in GCC countries; major hotels and resorts for placing in the rooms of Arabic speaking guests; clubs, etc.

Extra copies are printed and distributed at the various travel and tourism exhibitions. In addition to direct subscription service.

We are sending more than 15,000 (Electronic Copy) by e-mail with a direct link to all of our magazine readers and all concerned people in the travel and tourism field.

Moreover, we launch each issue of the magazine in our website for all readers.

Adequate editorial support.....

If you are considering ways in which to improve on your share of the tourism market in an increasingly competitive market, then there is no better cost-effective way to do this than through a well planned advertising campaign in The Arab Traveller magazine. We provide adequate editorial support to the advertisers. Special reports on the various destinations are prepared by our editorial team after a personal visit to these destinations.
